

How to measure bolt pattern on a 5-hole wheel or hub

If the center of stud to center of adjacent stud distance is:

2-5/8" – bolt pattern is 5 on 4-1/2"

2-3/4" – bolt pattern is 5 on 4-3/4"

3" – bolt pattern is 5 on 5"

3-1/4" – bolt pattern is 5 on 5-1/2"
